

# L2 SPS 2020

## Session 12

# Reminder : research tips

---

Use sources in French and in English, and keep track of them

<https://www.citationmachine.net/apa/cite-a-website>

Organise your notes using an outlining tool like Microsoft OneNote or something visual such as Coggle or Padlet

Continue building your French-English glossary **while you read**

# Aims for workshop session 2

---

By the end of the session you should have a list of at least 4 sources (and their citations) in French and in English.

You should have read them all, and made notes on each

You should also have finished your glossary

Using the outlining or planning software, sketch out ideas for the plan

Consider possible illustrations (re-use if CC or create)
